All guests and members--

Please take a few minutes to download the sermon podcast noted at the lower left.

I just listened to Sermon #1 on Faith and was blessed by the Scripture references and information about the basis and application of faith in our daily lives. I thank Pastor Mike for taking the time to place the sermons online for those who cannot hear them in person.

PS--While I was listening, I did something I have not done for a long time. I illustrated a verse for the small sketchpad I keep open on my desk. The verse is Hebrews 11:1 "Faith is the substance of things hoped for, the evidence of things not seen."

So glad the sermon is blessing those far and near. I know Mike hopes to inspire people with God's word. Thanks for the feedback!
