
Sanctuary seating

Posted by Lori - 2007/11/29 05:04

Riverview Church seating has included some of the theatre seating from the old theatre in EIDorado Springs. We have recently been looking at installing some different seating in part of the church. We have looked at prining for "clip" together seats as well as refurbishing some pew seating. We will be continuing to look at options and decide on the best seating for at least part of the sanctuary.
