
Russia in prophesy

The Bible is clear about the state of affairs in the world in the end times. The battles involving Gog and Magog are mentioned in Revelation.

Although the fall of communism opened doors for Christian ministry in Russia, are those doors closing once again? Will satan's grip once again be upon that country, guarding against the spread of the gospel of Jesus Christ?

We should pray heartily about that situation. Though God's will be done in that country, involving prophesy or not, the people there need Christ.
