## Holiday plans

Holiday plans were postponed due to the loss of Opal K. and Martha S. last month. Our prayers are with Albert Lee, Wanda, Gene and Pam. We will move forward with a dinner on Dec. 14th, God and weather willing! In the meantime, Christmas decorations will be going up in the building and many of the hymns will turn to carols and Christmas hymns. Hard to believe that 2008 will soon come to a close!

Holiday dinner went of without a hitch--we were blessed to have Donis join us along with her son John. Also were excited to have Jim and Melanie with us for dinner.
