
Feb/March 2009 events at Riverview

Posted by Lori - 2009/02/27 16:57

Riverview enjoyed a great valentine dinner in February this year. Great food was had and an old time valentine exchange was the activity. The turnout was great and the food was wonderful.

The Monday following Feb 16th, was a great day, as those from the church who were able helped pastor Mike work on his house by putting up the large trusses. The ladies prepared lunch at the church and after the men ate and refreshed themselves, they returned to the work--but all the trusses were raised. Pics are now in the Riverview Gallery for viewing this event.

Pastor Mike and Lori thank each and every one who helped and those who prayed for us during that time. Without the support and help from the church it would be impossible for them to do all they do. :)
